Rich flat owners lose Tate battle

MILLIONAIRE residents of flats overlooked by Tate Modern are "extremely disappointed" after losing a High Court privacy battle with the snooty art gallery.

The owners of four flats in the Neo Bankside development on London's South Bank took legal action in a bid to stop "hundreds of thousands of visitors" looking into their homes from the Tate viewing platform. But the board of trustees of the Tate Gallery said the platform provides "a unique, free, 360-degree view of London" and argued that the claimants could simply "draw the blinds".

Heroin swallower in failed jail ruse

A DEALER has been jailed for swallowing 14 wraps of heroin and then deliberately getting himself arrested in a bid to bring the drugs into

prison.
Darren Sivier handed himself in to police in Edinburgh in April 2017 after learning officers were looking for him for breaching a court order. The 39 year-old was later found half-naked in

The packages turned out to be heroin, which would be worth around £45,000 in jail.

Sivier, who has a string of drug convictions, pleaded guilty at the High Court in Glassow to being concerned in the supply of heroin. Michael Anderson,

defending, said Sivier had been "under pressure from those within prison". Sivier was jailed for six years and 219 days.

'Dr Evil' pleads guilty to GBH

By COLIN HURST news@sundaysport.co.uk

TATTOOIST who called himself 'Dr Evil' admitted causing grievous bodily harm to three customers by carrying out a TONGUE-SPLITTING procedure and removing an EAR and a NIPPLE.

Brendan McCarthy, who ran Dr Evil's Body Modification Emporium in Wolverhampton, changed his pleas to guilty on Tuesday after a two-year legal saga in which he unsuccessfully claimed the consent of his customers provided him

with a lawful defence.
McCarthy, from Bushbury, Wolverhampton,
carried out the ear removal at his studio in
2015 without using anaesthetic, three years

after he split a woman's tongue with a scalpel and removed a third customer's nipple.

Buttocks

The 50-year-old had denied six charges relating to the three procedures when he first appeared at Wolverhampton Crown Court in 2017.

Judge Amjad Nawaz ruled that registered tattooist McCarthy could not use his clients' written permission as a defence after considering precedent set by

McCarthy then took his case to the Court of Appeal, contending that the procedures should be regarded as lawful to protect the "personal autonomy" of his customers. customers.

customers.

But three judges at the Court of Appeal, including the Lord Chief Justice of England and Wales, threw out McCarthy's appeal.

In their 12-page ruling, the appeal court judges — who noted

that McCarthy had divided a customer's tongue "to produce an effect similar to that enjoyed by reptiles"—said the procedures were not comparable to tattoos and piercings.

While they accepted evidence that the ear removal had been done quite well, the judges said it was not in the public interest that a person could wound another for no good reason.

McCarthy was bailed to appear for sentencing on March 21.

The science revision book has been met with outrage from grown-ups who said it "looks like it comes straight out of a porn film".

Publisher Pearson has been asked to withdraw the 2017 textbook after parents branded the image "seriously disturbing and disgusting".

One Twitter fan said Pearson Edexcel were "utterly disgraceful" to have used the "landing strip" illustration in its International GCSE Human Biology textbook and "should apologise".

Another added on a Mumsnet forum: "It may appear trivial, but it is definitely unhealthy. This is part of the learning that gets drummed into girls about how disgusting they are, how they should be ashamed of themselves, how their discomfort is irrelevant to others."

However, some Twitter fans appeared to defend the book.

User Big Un from Hull supported the publishers and posted: "If it was all covered in a big hairy mott, you wouldn't be able to see the good stuff."

Sex dolls for all as import ban lifted

SOUTH Korea is set to be flooded with SEX DOLLS after a landmark case in the Asian country meant they have now been legalised.

The High Court ruled that the import of inflatable love partners should not be prohibited on grounds that it corrupts public morals.

In 2017, a firm made an import declaration of a 159cm tall headless sex doll made of silicon that looks like a female body.

But Incheon Customs put the

entry on hold, saying it corrupted public morals.

The company filed a complaint against the chief of Incheon Customs and the first trial ruled in favour of the Incheon Customs chief, saying the doll depicted the sexualized areas of the body – destroying the dignity of human beings.

But the Seoul High Court said while it may seem vulgar, it does not show the sexual areas in full display to justify the claim.

I'M 19 and fascinated by older women. A few weeks ago I was in my local when I noticed an attractive brunette at the bar.

I offered her a drink and we chatted for a while before ending up at her place for a few more drinks.

She told me she was divorcee of 46, but she didn't look it. She had massive 34EE tits which I couldn't wait to get my gob round.

She got out my hard shaft and began sucking until I blew my load in her face. She then grabbed my hand and led me to the bedroom, threw me on the bed and stood frigging her wet pussy.

Then she jumped on top of me and went for gold as she rode my rod. She came four times in 20 minutes.

She brought me hard again in no time with a sloppy old tit-wank

rod. She came four times in 20 minutes.

She brought me hard again in no time with a sloppy old tit-wank and some oral and then demanded it doggy-style.

Now she's offered me money to do her regularly.

Should I go for it?

AK, Cumbria

Bexie says...YOU'D be a fool to miss out on a golden opportunity to fulfil your fantasy – and earn a few quid!

Dear Bexie,

I'M a 22-year-old single girl and I've been having driving lessons for six months. My instructor is a hunky guy in his 30s and we have been having sex after my lessons finish.

We normally do it in the back of his car but it's a bit cramped so once or twice he's taken me to the flat of a friend.

He took me there recently and we had a steamy two-hour session. He's very well-endowed – about nine inches erect – and he knows how to use it.

One night after a lesson we went to the flat and I went down on him and he talked dirty as I chomped on his cock. After that I got on all fours and he slipped into me from behind. He kept going for 20 minutes until he shot his load and gave me a massive orgasm.

Anyway, as I said, we've been doing this for a bit and now I've found out he's married with kids.

Am I a bad person?

AS, Chelmsford

AS, Chelmsford

Bexie says...
NO. He's in the wrong.

Dear Bexie,

I'VE been married for 12 years and my wife and I have always had good sex.

But one fantasy I've

But one fantasy I've always wanted to realise is to watch her being taken by a young stud and, until recently, she'd always been against it.

A couple of weeks ago, to my astonishment, she said OK. On the big night she wore a tight blouse, a short black skirt and stockings and suspenders.

The plan was for her to go to a club in town, pick up a fella and bring him back home. I would then watch from the wardrobe as she was

wardrobe as she was taken by him.

It wasn't long before I heard a taxi pull up and saw the wife getting out with a young man. I ran upstairs and hid, waiting

for the show to begin.
They came in and she pushed him back on the bed, slowly pulling down his trousers and rubbing his cock. He was soon rock hard so she took rock hard so she took

rock hard so she took his massive tool in her mouth and started to gobble him off.

After a few minutes he picked her up, placed her on all fours on the bed and began pounding away at her doggy-style.

At this point she looked round to where I was hiding and, between her moans of pleasure, gave me a saucy wink as

her moans of pleasure, gave me a saucy wink as the stud rammed away. I was very turned on by it but I'm a bit put out that she seemed to enjoy it so much.
Is this wrong?
RO, Belfast

Bexie says...

YOU can't blame her - it was all YOUR idea!

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXIE WILLIAMS has been reading through your letters. And here's her advice for you...

<u>Should I dump my wife to </u> move in with sexy teen?

Dear Bexie,

I'M a 45-year-old married man and I thought I knew all there is to know about sex until I started a wild affair at work.

started a wild affair at work.

The girl in question is just 19 and we hit it off the day she started her new job.

She's gorgeous and looks much older than she is, and although all the lads in the office fancy her like mad, she seems to have eyes only for me.

I was very flattered, of course, and one day I invited her to lunch.

We chatted about everything and ended up kissing and cuddling in my car.

One thing led to another and before I knew it I was on top of her making love.

I'm afraid I was so turned on by her fit body that I ejaculated after

just a minute or so and I felt really embarrassed, but she told me not to worry, adding that she was sure it would be better next time.

Anyway, two nights later I offered to drive her home but she suggested

we go to a hotel instead.

My missus was staying at her sister's so we got ourselves a room, and once inside she started to strip off slowly.

By the time she got down to her skimpy lace undies I had a hard-on. She grabbed my cock and sucked

After a while she got on all fours and let me enter her from behind.
I'm pleased to say that I managed

to last for a full 45 minutes on the job before emptying my load inside her – a record for me.

Since that night we've been meeting regularly twice a week and every time the sex seems to get

This girl may be just a teenager but she's fantastic in bed.

Now I'm thinking it's time to leave my wife and set up home with this bird.What do you think? *GJ, Dorset*

Bexie says...

YOU would be taking a massive risk due to the age gap. I reckon it won't be a long-term relationship.

Dear Bexie,

I AM shagging four different men at the moment and none of them is my husband. He started losing interest in sex a year ago. Now I've picked up these fellas

and getting it regularly.

I realise what I am doing is wrong but I don't know what to do because I love the sex. What should I do? Anon, Canterbury

Bexie says...

IF you love the sex, the answer's easy.

Widow gave me beating, not money!

Dear Bexie,

I'D been out of work for a year and was broke. But I'm good-looking and I'm great in bed, so I decided to solve my money troubles by chatting up a rich old babe to look after me.

I scraped together a few quid, went to a nightclub, and before long saw a well-stacked 40-something blonde eyeing me up. One glance at her gold jewellery told me she had money, so I moved in.

It didn't take much effort. She said she was a wealthy widow looking for a toyboy.

Once back at her home she revealed that she was into domination, and expected me to play a submissive role. She changed into kinky leather gear, and told me to get on my knees and give her oral.

I was happy to oblige, expecting her to return the favour. But then she got out a whip and gave me a lashing on my bare buttocks. Then she placed a dog collar round my neck, and made me crawl around naked on a leash. I left without so much as a w*nk. I'm still broke, but at least I've got my pride. JS. Lancs

Bexie says...

YOU'RE too haity. What's wrong with a bit of S&M?

Dear Bexie,

I'M 28 and after splitting from my husband, I was a bit of a recluse.
Then a friend rang to say that she'd fixed me up with a date. She told me that the guy worked in her office and was a real hunk. He was also five years younger than me so I thought I'd give it a go.

me so I thought I'd give it a go.
She arranged for us to meet in a pub and we had a really good night. At closing time he asked if he could take me home. Once back at my house I was soon naked on the sofa and had the most enormous penis I'd ever seen in my hands.
I was soon riding him for all I was worth.
I was bouncing up and down on his shaft as he tweaked my nipples. I had the most amazing

tweaked my nipples. I had the most amazing orgasm but this hunk hadn't finished.

Soon I was on all fours and he was ramming hard into me. Again he brought me to a climax but he seemed insatiable so I wranned my lins

but he seemed insatial so I wrapped my lips round his bellend and brought him off.
We've been seeing each other ever since.
But now my husband

wants a reconciliation.
What should I do?

evening in the last 16 of the Champions League third meeting in four seasons in European competition

between the sides with the score at two wins apiece.

The Bundesliga outfit have never failed to score against Spurs in those four games and I feel the sides will be all-square going into the second leg in Dortmund next morth. next month

Mauricio Pochettino would love a clean sheet and is likely to have both Harry Kane and Dele Alli back for the second leg. The Bundesliga leaders are without skipper Marco Reus but are scoring goals for fun in domestic football and will be looking for at least one

away goal at Wembley.

Spurs have never won a home game in the knockout stages (D1 L2) and I feel they will find things difficult at Wembley even though Borussia have lost three of their last four visits to England.

A draw wouldn't be the worst result – especially a goalless one – and I feel it will be all square and all to play for when the sides meet back in Germany next

Spurs are 13/10 favourites at BetVictor with Dort-mund 2s and the draw at 13/5. I fancy a scoring draw which is 16/5 Note the Germans are 8/11 to qualify

for the last eight of the competition with Spurs Evens.
The other Champions League tie sees Ajax host holders Real Madrid. Ajax have lost their last six games against Real Madrid in all competitions, but the hosts have only lost one of their last 21 home European ties and won five out of six this season including qualifiers.

Injury

Real Madrid have picked up positive results at Barcelona in the Spanish Cup and at neighbours Atletico in La Liga during the last week and look to be coming into peak form for the start of the knockout stages of their favourite competition.

Ajax have lost two of their last three domestically, but they do score goals and I would be surprised if both sides don't find the back of the net in what promises

sides don't find the back of the net in what promises to be an open, entertaining tie at Johan Cruyff Arena.
Gareth Bale was described as the "forgotten man of the Bernabeu" when he came on as a second half sub in the Wanda Metropolitano on Saturday but scored a sensational third and winning goal against Atlett.
Bale's time in Spain has been blighted by injury and he is considered by many a bit shy with his inability - or middle the process to greatly spain.

unwillingness to speak Spanish - a negative for such

It will be interesting to see if Bale starts in Amsteram with young Brazilian Vinicius starting in the Madrid derby and winning the penalty that Sergio Ramos duly dispatched. Bale is 6/4 with BetVictor to score at anytime during the 90 minutes.

Arsenal should win in Bate tomorrow night and have,

surprisingly, kept a clean sheet in their last five Europa League ties.

Injuries

He thinks Spurs are knackered after the mad period around Christmas and in January when

He believes it's no coincidence that there are more injuries at this

Mertesacker said: "I've personally experienced what it's like when the most intense month is December, when your body actually has to shut down to be fit for the crucial games in April, May. RACING may be back after

the flu break — but many top horses are stuck in their horsebox.

Only horses that have been vaccinated in the past six months can run when the rule until

yesterday was a year.

That has ruled out sor of the favourites for the

weekend's action. Champion trainer Nicky Henderson has been forced to pull some of his top stars out of the meetings at Ascot, Haydock and Kempton.

His Santini and Verdana
Blue fall foul of the rule.
Henderson said: "It's been a frustrating two weeks, as we were snowed in before this.

"Obviously we are all delighted with the news, as this is what we wanted to hear after everyone had looked at the situation.

"We have got one or two frustrations because of the vaccinations — it has caught out one or two horses as they have just fallen outside of the window. We have got to juggle few things around, which is frustrating.

He said: "It's absolute
